At JBS we believe uniform is an important part of the school values. It emphasises the sense of unity and belonging.

Why is uniform important?

1. Wearing a uniform helps to create a sense of identity. With our values curriculum we want to ensure that all pupils are proud to be a part of JBS. Uniform enhances the values of Unity, Respect, Co-operation and Responsibility.
2. Uniform enhances standards by creating an atmosphere of mutual pride.
3. Uniform helps to remove the pressures that young people are subjected to regarding fashion. School uniform emphasises some of the important life messages such as: 'look at *the person* within to find the qualities within'.
4. Finally, it eliminates any debate between parents and children regarding appropriate clothing for school.
